

SUJAL KURKUTE

B.Tech Student - Artificial Intelligence & Data Science

Aurangabad, Maharashtra, India | 8087324485 | sujalkurkute7116@gmail.com | LinkedIn | GitHub

PROFESSIONAL SUMMARY

Final-year B.Tech student in AI & Data Science with hands-on experience in Machine Learning, Deep Learning, Generative AI, RAG, Transformers, and backend development. Proficient in Python, PyTorch, LangChain, FastAPI, Django, SQL, Docker, and Kubernetes. Built and deployed AI applications spanning computer vision, time-series forecasting, and data engineering. Seeking an AI/ML or backend engineering internship.

TECHNICAL SKILLS

- Languages: Python, SQL
- AI/ML: Machine Learning, Deep Learning, Generative AI, Computer Vision, Time-Series Forecasting
- LLM & NLP: RAG, Transformers, Embeddings, LangChain, LangGraph, Hugging Face, Prompt Engineering
- Backend & Data: FastAPI, Flask, Django, REST APIs, PostgreSQL, XGBoost
- DevOps: Docker, Kubernetes, Linux, Git, GitHub Actions, CI/CD

PROJECTS

Deepfake Image Detection System

Python, PyTorch, CNN, Docker, Kubernetes, GitHub Actions

- Built a CNN model achieving 96% training accuracy; containerized with Docker and deployed via a GitHub Actions CI/CD pipeline for real-time predictions.

NDVI Forecasting System

Python, LSTM, Google Earth Engine, Sentinel-2, Streamlit

- Built an LSTM time-series model to forecast NDVI from Sentinel-2 imagery via Google Earth Engine; shipped an interactive Streamlit dashboard.

Olist E-Commerce Data Warehouse

PostgreSQL, Python, dbt, Airflow, Power BI

- Designed a PostgreSQL star-schema data warehouse with Python ETL pipelines orchestrated via Airflow and dbt; built Power BI dashboards for sales and operations analytics.

EDUCATION

CSMSS Chhatrapati Shahu College of Engineering

B.Tech - Artificial Intelligence & Data Science; GPA: 6.89 (through Sem 5)

Aug 2023 - Jul 2027

Aurangabad, MH

Vasantrao Naik College

HSC (Science); 73.96% | MHT CET: 90 Percentile

Jul 2021 - Apr 2023

Aurangabad, MH

CERTIFICATIONS & ACHIEVEMENTS

- Software Engineer & SQL (HackerRank) | Project Management (LinkedIn) | Deep Learning (IIT Ropar)
- Pune Agri Hackathon 2026 Finalist — top 15 of 1,200+ participants
- Event Manager, AI & Data Science Department Association
